1909 SAGAMORE SPIRIT

OUR STORY

Our spirit flows from a spring house, built in 1909, at Maryland's Sagamore Farm—naturally filtered spring water, fed from a limestone aquifer. The same water that fuels our champion thoroughbreds, also cuts the rich spice of our rye, creating a spirit as revolutionary as America's risk-takers and history-makers. Our story is one of passion, of old meeting new, and crafting a timeless American Straight Rye Whiskey, strengthened by the Sagamore spring.

RYE BY THE NUMBERS:

American Rye Whiskey is up 15.9% to 1.1M cases, \$205M Revenue
